

AMADOR HIGH SCHOOL PARKING AGREEMENT

Required For All Students Parking On School Grounds

Students and Parents:

We expect your full cooperation with our parking rules. This is a privilege for you to park on campus. You will adhere to the following school rules and policies on student vehicles and parking:

1. Drive safely on or about school property; the parking lot speed limit is 5 mph.
2. Display your Amador High parking permit on your rear view mirror.
3. **Loitering in the parking lot is not permitted.**
4. We are a closed campus. You will lose your parking permit if you cut a class or leave campus without permission.
5. The parking lot is off limits and cars may not be visited during the day (including lunch periods) without permission.
6. Any driver found to be driving in a negligent or erratic manner on or about school property may be cited by the Sutter Creek Police Department.
7. Loud stereos are not allowed on school grounds. Keep your music in your car at a reasonable volume.
8. Outstanding discipline issues will also result in loss of parking privileges.

Failure to adhere to any of the above guidelines will revoke your parking privilege. Students may park only in student parking. Illegally parked vehicles will receive a Sutter Creek PD citation.
